New Management of Morton County Care Center in Elkhart, KS

[Elkhart, KS, June 26, 2015] –The county commissioners and hospital board members met on June 24 - June 25 2015 and announced that the management of the Morton County Care Center, special care unit and assisted living will be transferred to Frontier Management INC DBA Frontline Management as of July 1st 2015.

Based in Lafayette, Colorado, Frontline Management specializes in the full continuum of senior services including skilled nursing, assisted living, and independent living and currently manage facilities in Colorado, Oregon and Kansas.

Frontline is focused on providing quality health care and exceptional customer service. Working with a national organization, Pinnacle Quality Insight, Frontline plans to work with the facility leadership team to gain patient and family member feedback to identify specific areas of opportunity. “We are very excited to have an opportunity to work within the Elkhart community,” stated Bob Jones, President of Frontline.

A town hall meeting is scheduled at 7:00 pm on Monday, June 29, 2015. The county commissioners, hospital board, Frontline Management Founder/CEO, and President/COO will be in attendance. The community is invited (and encouraged) to attend.

About Frontline Management

Based in Lafayette, Colorado, Frontline owns, operates and manages senior housing and senior care communities in the Mountain West region and in Kansas. For more information about Frontline Management, visit www.frontlinemgmt.com.
